He's convinced that "they will him bring wealth. One day in order to pay off her Eisuke's loan, Sumi sell her body to Ashida Souichirou who asks her to "marry him without love." For the sake of the money, Sumi agreed without quite understanding the meaning of "throwing her love away" ..and then during the wedding ceremony after their vows, Souichirou kissen her but then without thinking she slaps him!?

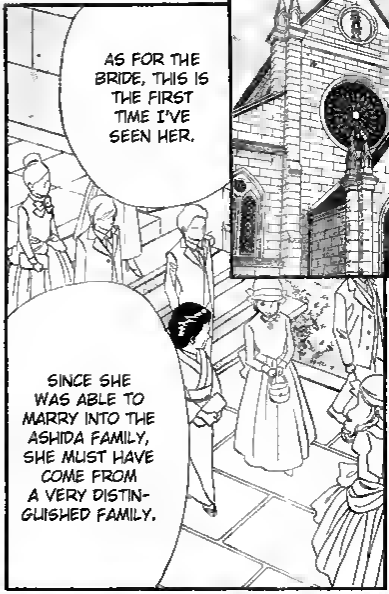
SUM-MARY

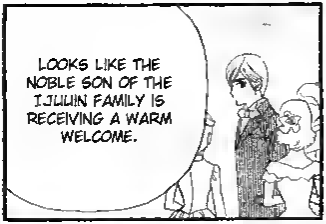
I APOLOGIZE FOR THE INCONVENIENCE CAUSED SO SUDDENLY.
IT'S BECAUSE I DIDN'T TELL SUMI THAT WE WOULD BE HAVING A WESTERN-STYLED WEDDING BEFOREHAND. THAT'S WHY SHE'S SO SURPRISED RIGHT NOW.
SUMI HAD A SHELTERED UPBRINGING, SO SHE'S NOT REALLY FAMILIAR WITH THE WORLD.
MY ...
HOW CUTE.

SORRY FOR CAUSING SUCH TROUBLE IN FRONT OF YOU, FATHER.
I HOPE WE CAN CONTINUE NOW.
YES ...
I'M SORRY ...
SUMI ...
IT, IT'S ALL RIGHT
AND NOW
I PRONOUNCE YOU HUSBAND AND WIFE.

SPEAKING OF THAT, THERE'S A FIGHT GOING ON FOR WHO IS GOING TO BE THE ASHIDA FAMILY'S SUCCESSOR, IS THERE NOT?
ALSO, THE PRESIDENT'S HEALTH CONDITION HASN'T BEEN VERY GOOD TT.
OH!



AS FOR THE BRIDE, THIS IS THE FIRST TIME I'VE SEEN HER.
SINCE SHE WAS ABLE TO MARRY INTO THE ASHIDA FAMILY, SHE MUST HAVE COME FROM A VERY DISTINGUISHED FAMILY.



NOZOMU-SAMA.
ARE YOU BUSY LATER ON?
SHALL WE GO TO THE NEARBY SALON TOGETHER?
I HAVE AN EXAM COMING UP SOON, SO I MUST GO TO THE LIBRARY TO STUDY FOR IT.

PLEASE WRITE TO ME!

On my PC I've begun playing Monster Hunter Frontier Hunting with unknown hunters. I really intend, but I just can't get the kind of life where in reality there's a society where hunters coexist

Translator's note: So-chi-rou says "lady" in English. Sumire, being the uneducated girl she is, has no idea what this word means and thus pronounces it as a regular Japanese word.

Author's Comment

Making a new story is no easy thing. No matter how much experience I have, I can never find the answer to "what would be interesting?" Because I just love "cliched stories," it turned out to be a cliched manga. It would make me happy if we could all receive pleasure from this.

~TRANSLATOR's NOTE~

Pg. 25: Komai is speaking using keigo. For an extensive definition of what it is, check out Wikipedia. But basically it's a very formal and polite way of speaking Japanese. In some ways, it's a completely different language and as a result Sumi, being from a very poor class, has never heard it being spoken in her life. Think of this as a 'My Fair Lady' kind of thing.

Pg. 26: Komai uses the English word for "initials," and therefore Sumi does not understand and tries to pronounce it in Japanese. As a result, Komai explains in Japanese.

Pg 35: Souchirou and Mr. Nicola are speaking French so we use different font to differ different language spoken.
